Once upon a time...

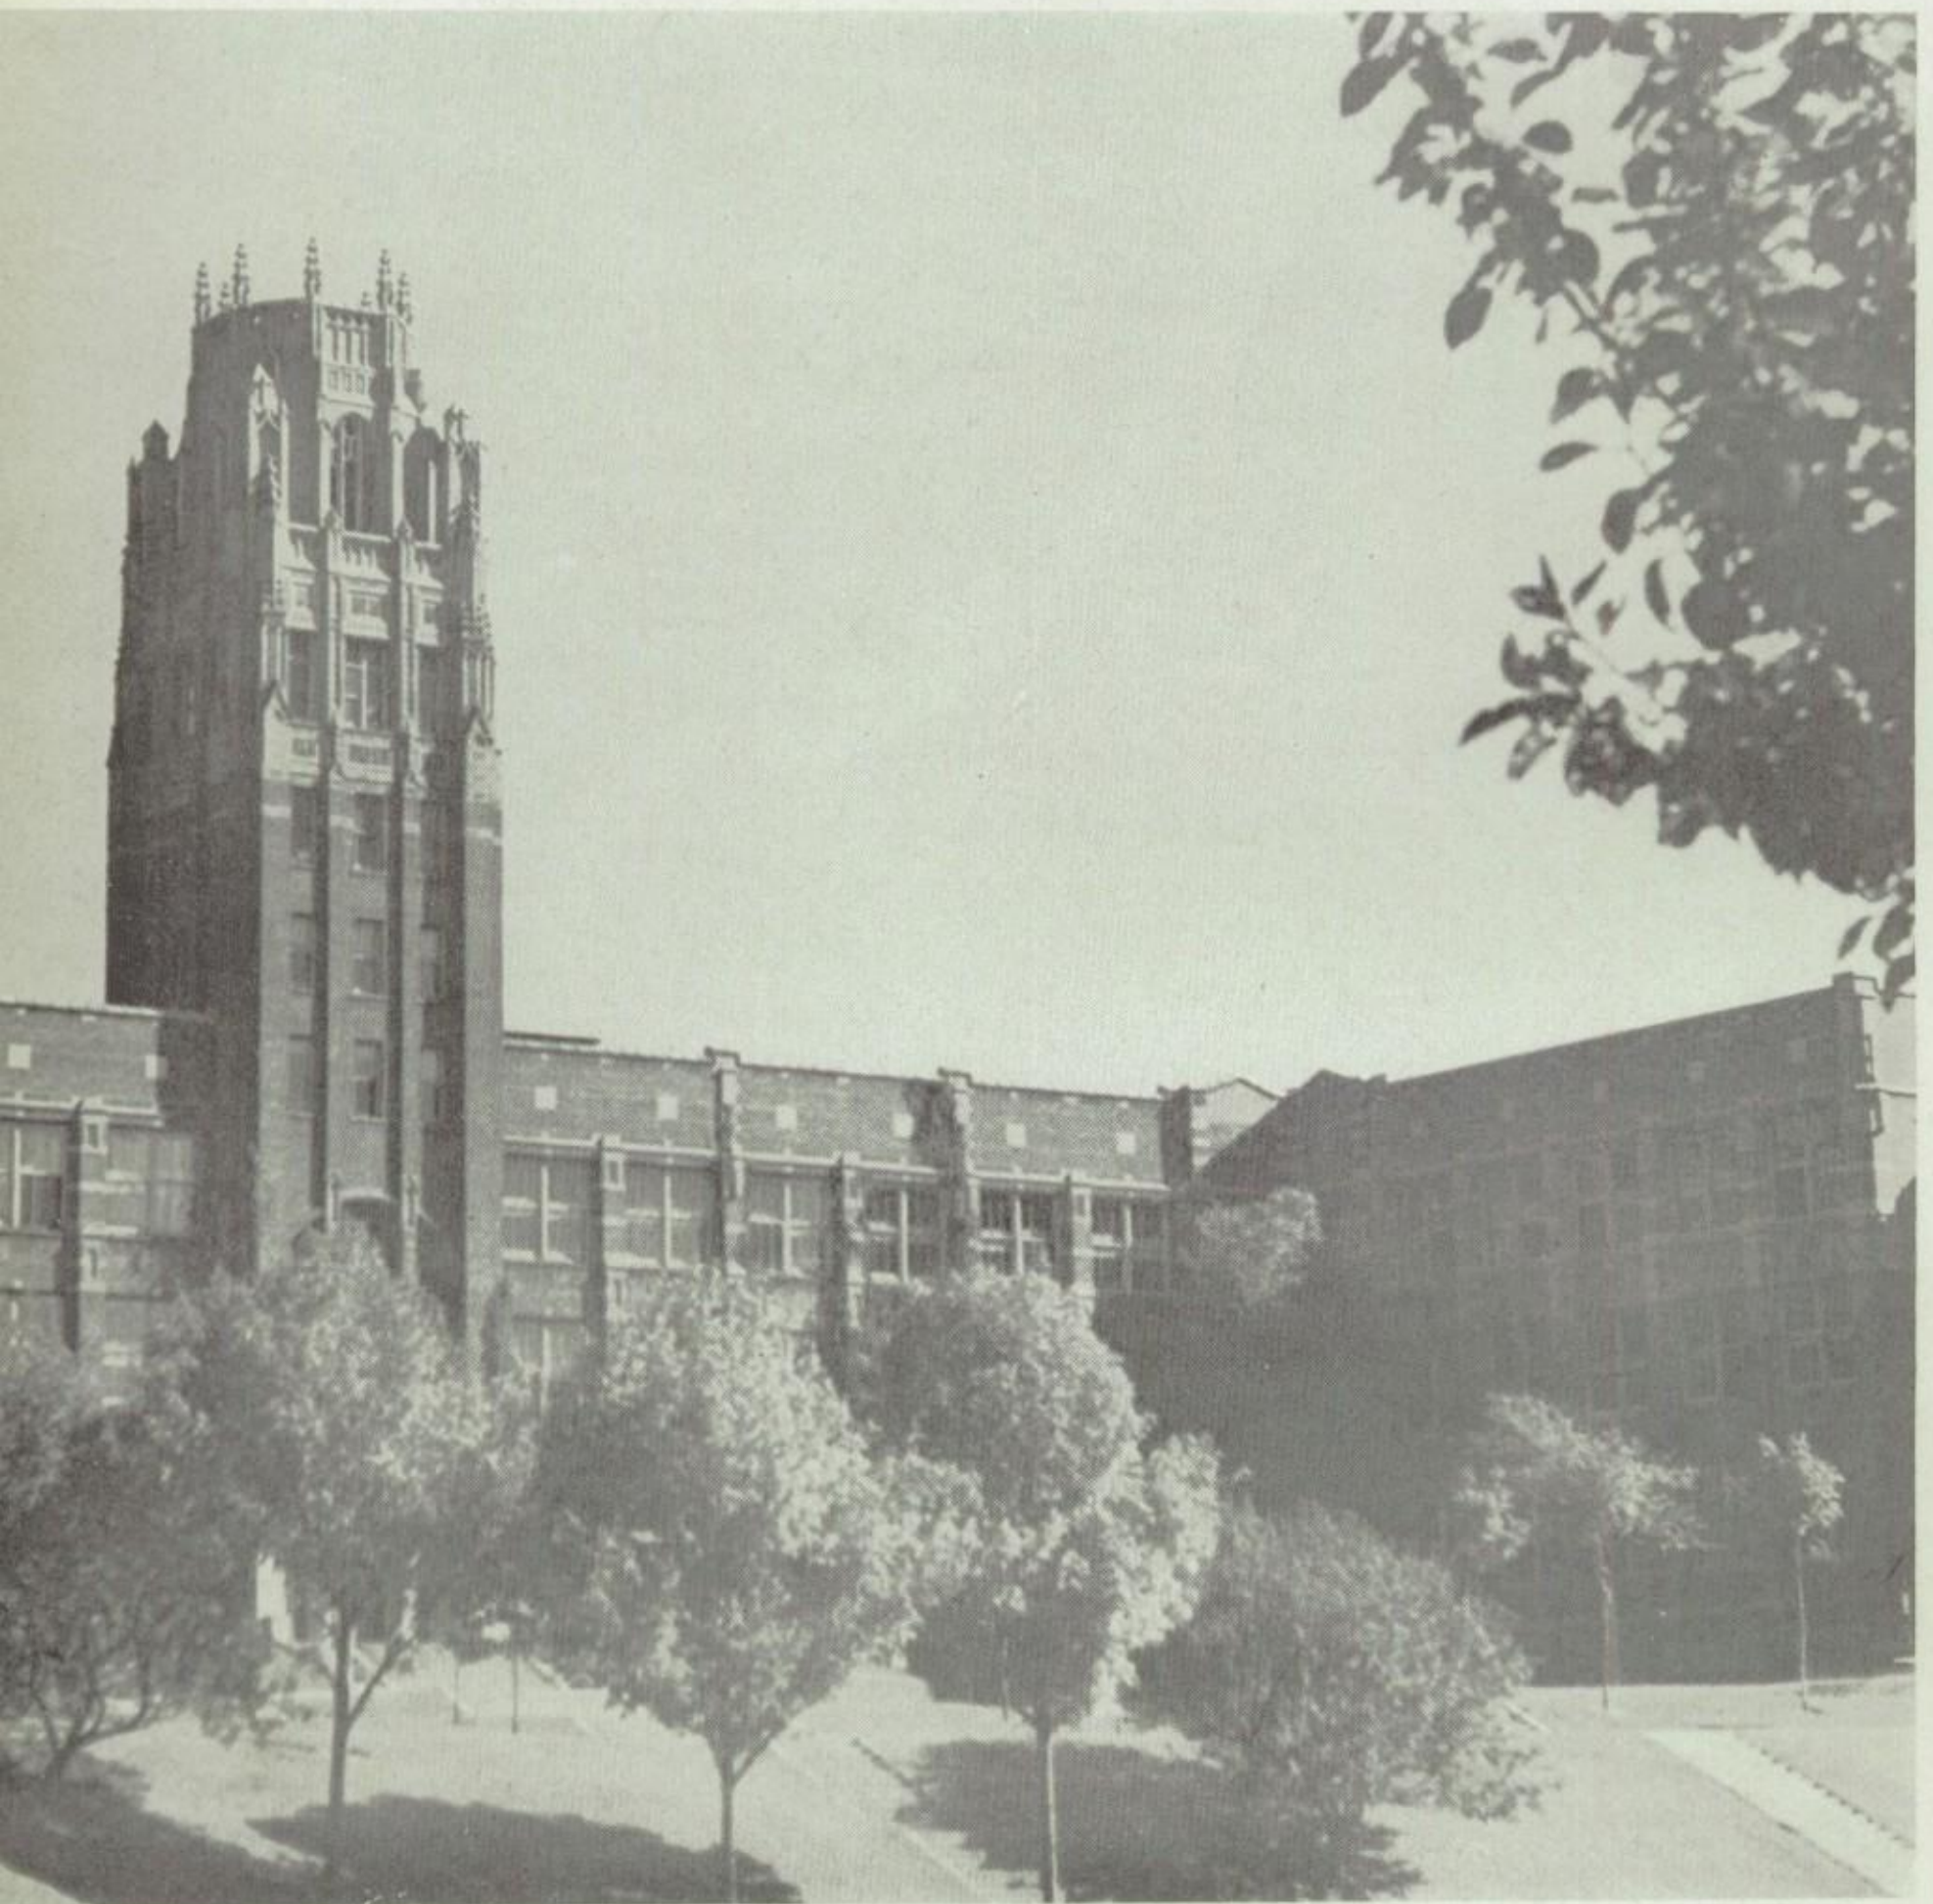

*on the shore of Lake Michigan
there was a town...*

Our Town

*in Our Town
there was a school*

Our School

*in Our School
there were students*

Us

This is our story... of the work and fun we have in Our Town

If we can't hook a ride, it's nice to walk slowly home after a day of work with that favorite person as LaVerne and Paul are doing.

In rattletrap cars, if we can manage to get a lift, we breeze around the circle, glad to be out of school but not caring to leave. We hope we make it down-town.

After school you might catch us at the Princess where we stop for a coke as Jeannine, Nan, Lois, Bev, and Fay did.

Or at the Hub getting in a quick game of pool. Bill shoots as Fred, Bill, and Bill watch. (This is a collector's item.)

Stage-door Johnnies — that's us. After watching a great performance at the class play, Dale, Merlyn, and Jim wait for the stars to pay their compliments.

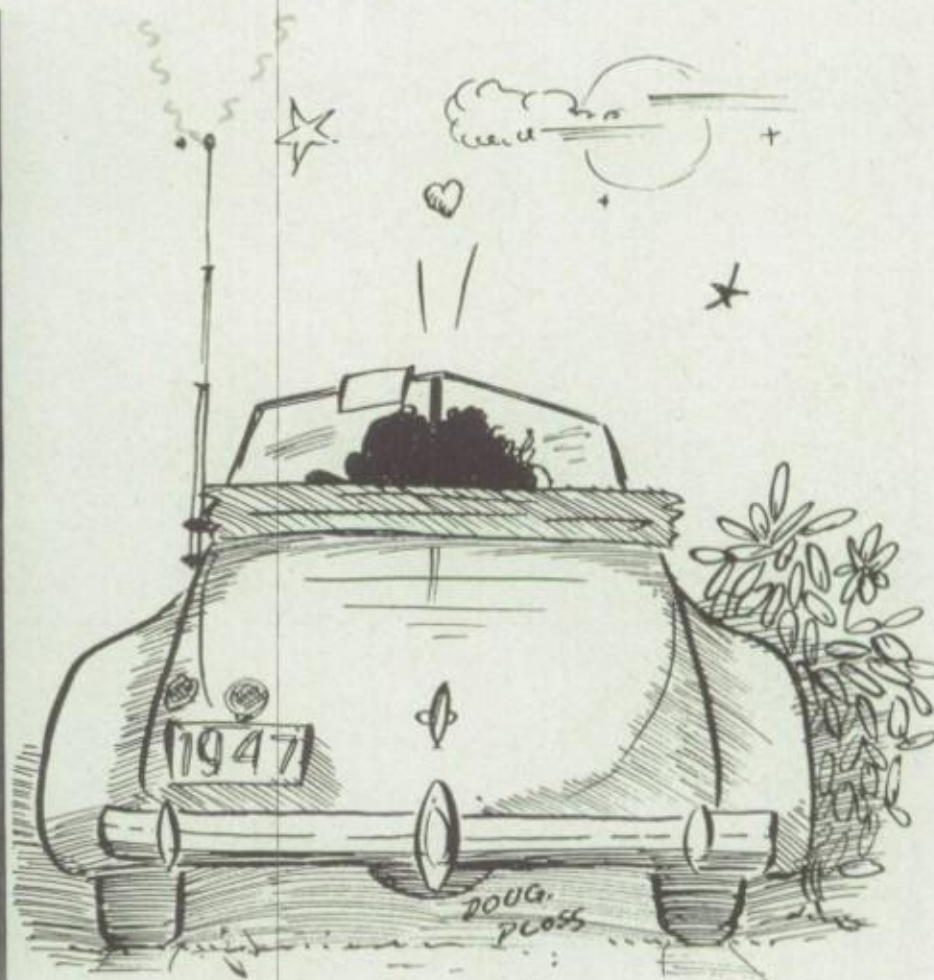

We waited a long time but it was well worth it. Our Youth Center is really something to brag about as any one of that mob will tell you — but def!

The start of a date . . . and the end of it

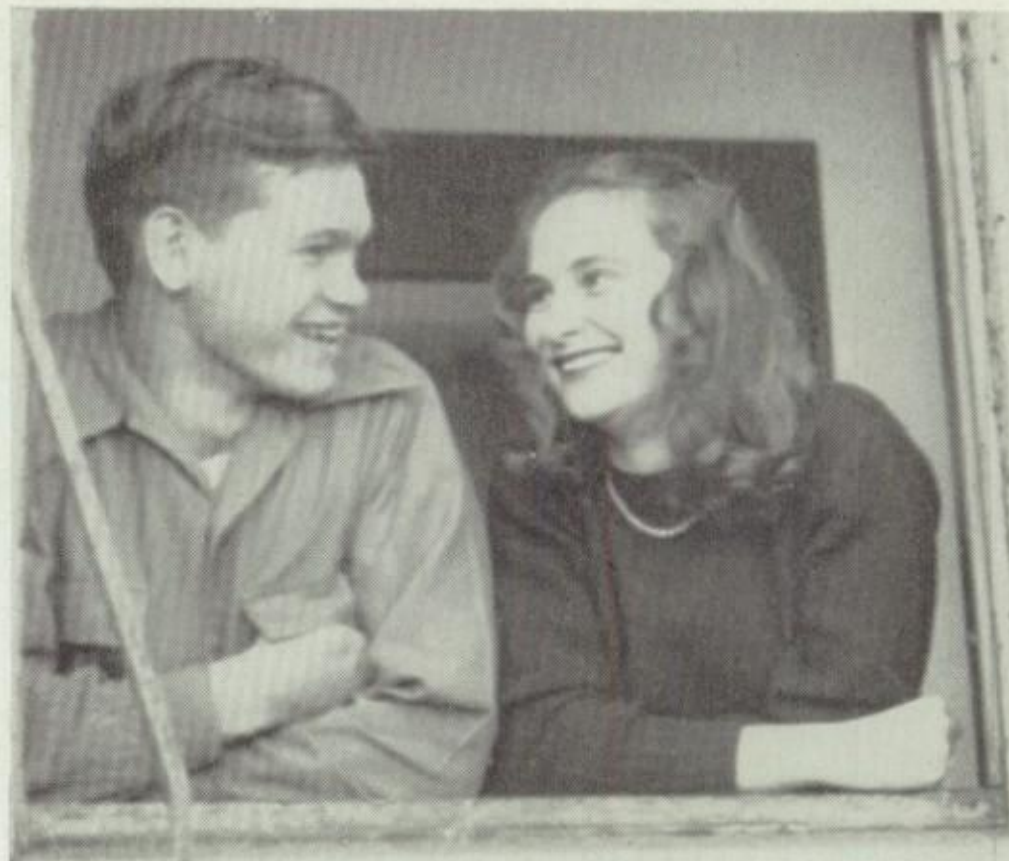

A movie on a Saturday night is a typical date in **Our Town**. Marilee, Bill, Pete, and Irene are sure to enjoy that one.

And after a date what do we do? Well, food is the first consideration and after that—your guess is as good as mine.

Homecoming game and dance were really something

Homecoming is always a wonderful weekend and this year was no exception. The whole **Town** turned out to watch the parade and cheer on the team. The juniors won first place with their float. JoAnn was lovely as our queen and she ruled supreme with Bob whom she chose as king.

JoAnn was elected by the seniors. The runners-up served as her court of honor with their dates. Paul, Elizabeth, Margie, Kenny, Jo Ann, Bob, Nan, Ossie, Carol, Kenny, Margie, and Dean were introduced at the intermission of the dance.

Winding up their cheering careers for this year are Joanne, Don, Marilyn, Charlie, Margie, and Clarence, plus Carol, who was absent. They've had a shrieking good time. Joanne and Marilyn will be back as cheerleaders again next year.

We dreamed of a white Christmas and got it, plus all the other fun of the holidays. At the top of the list of parties and dances were the CYO and DeMolay formals. Don, Carolyn, Jean, Elwood, Jim, and Janet pause to sip punch at the DeMolay formal waiting for the band to strike up another number.

A huge snowstorm caused a mixup in the date of the CYO formal and it had to be postponed one day. Fellows and gals that had dates for both formals had to decide where to go and with whom for the dances came on the same night. Bob, Lorraine, Jerry, Marilyn, Bob, Dorothy, Doris, and Dick chose C.Y.O.

The gang at the Midsemester dance celebrated the midway mark of the school year. The theme of the dance, sponsored by the Student Council, was in the spirit of Valentine's day with huge red hearts decorating the walls of the gym. The object of the evening was dancing and we all had a swell time.

FIGHT, FIGHT, FOR OLD LINCOLN HI!

Jack had to take the consequences at the Hi-Y pep meeting and he valiantly tries to lead the school song while Joanne and Charlie cheer along to show him just how it's done. Where did you get that stunning dress, Jack?

HUBBA, HUBBA, AND A WHISTLE!

Our annual red-white day, sponsored by the Hi-Y and Tri-Hi-Y, was a huge success this year, but then there was no reason why it shouldn't be, for we had those three lovely red-white maids, Bill, Ashie, and Aaron in our midst.

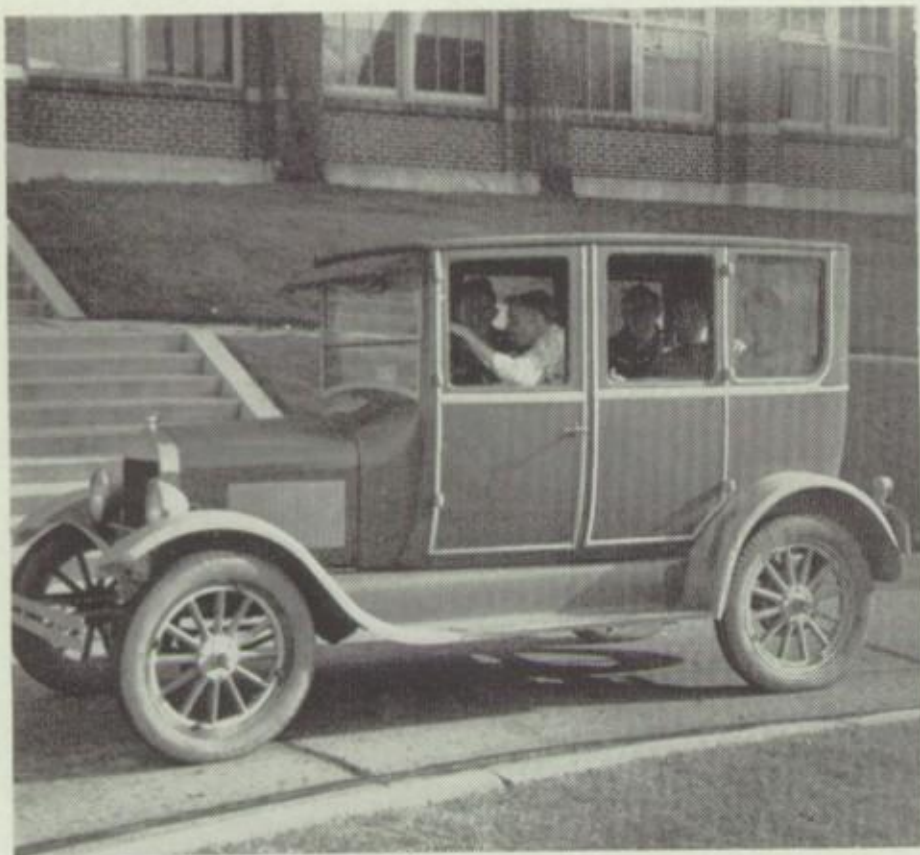

LOVE ON A GREYHOUND BUS!

Cheering must be a tiring job because Marilyn fell sound asleep on the bus coming home from the basketball game at Appleton. She was mighty surprised to wake up and find Lloyd's arm around her. Amazing what we do in our sleep!

LET IT SNOW, LET IT SNOW!

The huge storm we had this winter blanketing **Our Town** in white, was much appreciated by us for it meant an extra two-day vacation. Jack, Lorraine, Cy, Ruth, Margie, and Ardis are enjoying it immensely.

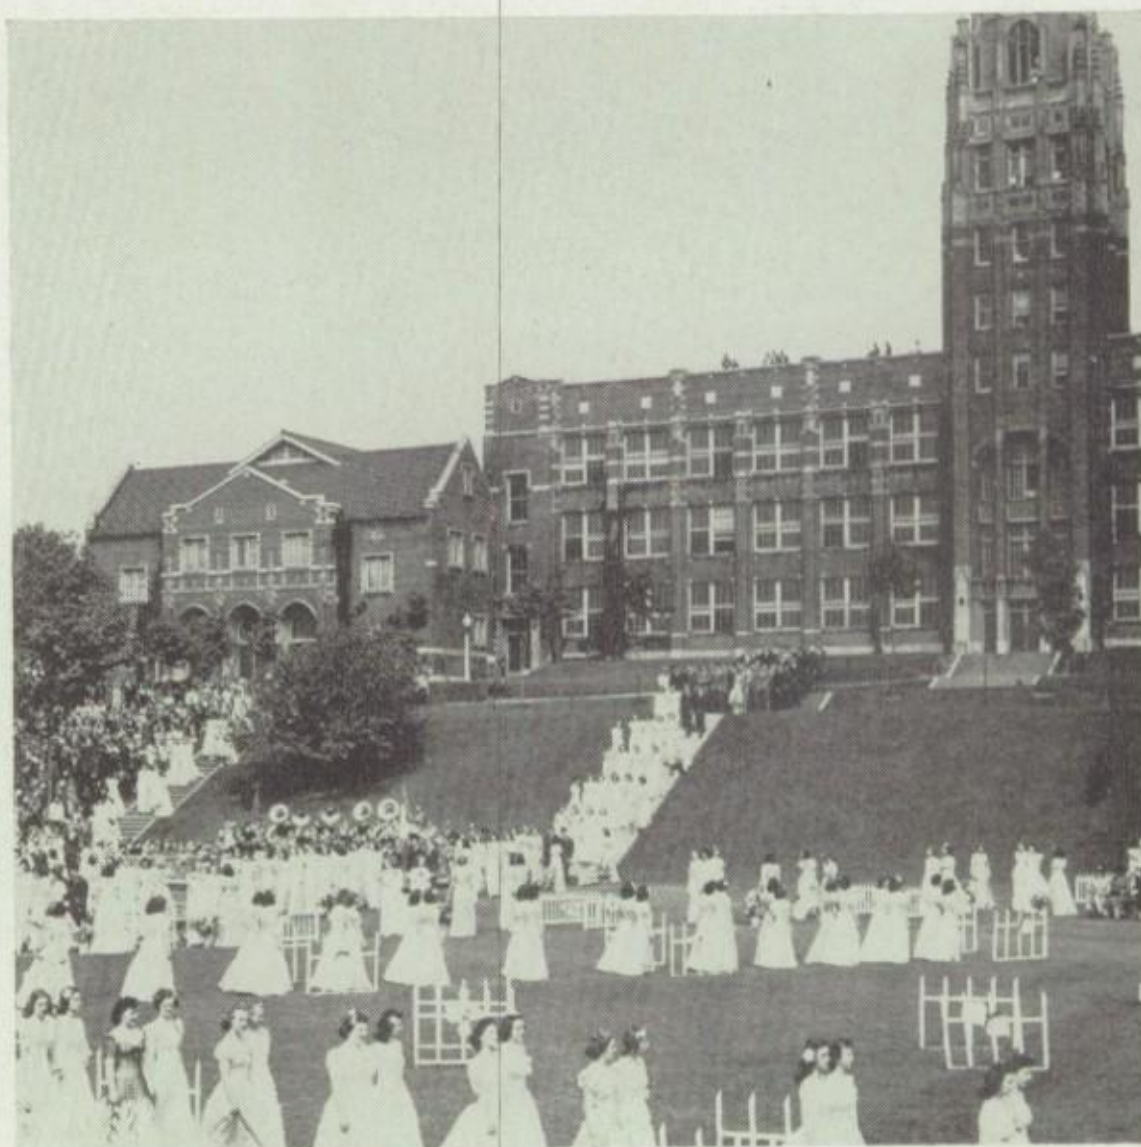

We'd say that we had spring fever—we can't wait to get out of school to ride around with the windows open, feeling the warm breeze like Jack and the boys.

Spring has also hit the newly elected cheerleaders. Bev, Jeannette, Joanne, Suzanne, Pudgie, and Don relax before starting their cheering careers.

It's almost over now . . .

'Way back in 1944 when we came to Lincoln, graduation seemed such a long way off. We were sophomores then, just getting into the swing of things, but in our junior year, we were right in the middle of everything with our first class play and at the end of the year our own carnival Prom with Margie and Ashie reigning as our king and queen. In our senior year we were busier still. Class play, Flashes, Manitou, Flambeau, and Operetta were just a few of our accomplishments. We have spent three years at Lincoln — three wonderful years, filled with work and fun. Now all that's left is graduation with the strains of "Aida" and taps playing from the tower.

Dear Herby.
was nice in, feeling
having you in, Hope to
woodwork etc. Hope to
see you next year to
a fellow 49 or "J.H. Ekinston"

Some of us scaled
the heights to fame...

AT LINCOLN as in Our Town, there are honors and awards given to those who work for them. Though we don't hold the position of mayor or sheriff,  our office is one of honor, achieved through perseverance and hard work. We're the students who do those extra things  outside the classroom.

The highest award given in our school is that of Senior Ace. We must excel in class work and also in extracurricular activities —  a good all-round student. We seniors were all mulling through our memories early this spring trying to remember  all the things we'd done that deserved credit, and after a great deal of painstaking work, the results were finally announced. This year our top senior ace is Ardis Krainik who piled up a total of 88 points  breaking the all-time record held by Lois Bruechert '46 by 1.3 points.

Our National Honor society  based on scholarship, leadership, service, and character is limited to fifteen per cent of our seniors and five per cent of our juniors. New members can be justly proud they were chosen  for the process of electing them is intricate, exacting, and wearing work, involving more than five thousand computations. (We were lucky to have an adding machine.)

 Mr. Edwin Erickson is our able adviser and we elected as officers, Fred Vogelsang, president, John Nickles, vice president, and Wilma Olm, treasurer.

Helping to take care of student affairs is our Student Council. The most publicity we members ever get is when homeroom elections  run hot and heavy at the beginning of school, but we accomplish a lot all year long, from activity tickets  to dances. Leading us in this democratic enterprise is Thomas Riggs, president of the council, and Mr. Ernest Ludwig, our adviser.

The honor most coveted by any junior girl is that of Prom Queen.  This year Bill McElligott, junior class president, chose Audrey Boeckman to reign with him as queen and lead the grand march through a southern plantation scene.

Those who hold these honors  rank high in the annals of Lincoln high.

WE MAKE THE LAWS —

STUDENT COUNCIL

— THAT GOVERN US

OUR Student Council can rightly be called a government "of the people" by the people, and for the people," for we are elected by our fellow-students from our own ranks. There has to be a check and balance system and who is more capable of guiding our decisions than Mr. Ernest Ludwig? Most of the credit for the efficiency of our council goes to him.

We sponsor the activity banquet, of which this year's charman is Marilyn Brandt. Our officers are, left to right, **Ashton Mahnke**, vice president; **JoAnn Schmitt**, secretary; **Louis Weber**, treasurer; and **Thomas Riggs**, president. **Robert DeRoche**, our sergeant-at-arms, was absent when the picture was taken.

OH, HOW WE DANCED —

PROM ROYALTY

— IN THE LAND OF COTTON

LOOKING back on fond memories of the 1947 Junior Prom are Prom King **Bill McElligott**, left, and Prom Queen **Audrey Boeckman**, right. Their happy faces assure us that Prom was a success or could it be because their throne is a snappy red convertible? Bill, the junior class president, really kept us guessing who the lucky

gal was going to be and who was more surprised than Audrey? They reigned over a happy crowd of southern beaus and belles. The death of our Prom chairman, Jack Rutherford, was a severe blow to us. The work he had so carefully planned was completed by Joanne Malek. We students and teachers will remember Jack well.

While others attained
their goal in sports...

COME ON, be a sport! We boys at Lincoln can't help being good sports with the program we're offered under the direction of Mr. Gordon Winder.

Besides the regular physical education classes, we have an intramural sports program consisting of touch football, basketball, checkers,  ping-pong, baseball, and water polo. Courses in junior and senior life saving are also offered.

We are members of the Fox  River Valley Conference. Our interscholastic sports are football, basketball, track, tennis, golf, and baseball.

Due to the polio ban our football team lost out on some practice  but through the able coaching of Mr. Nello Pacetti, assisted by Mr. Al Guepe and Mr. Harold Rasmussen we managed to place fourth in the F. R. V. C. There were a few times when we were disappointed  because we lost the game in the last few minutes, but we were always proud of our team. Bob DeRoche and Alois Lutterman

were chosen co-captains for the '46 season.

Our basketball team, coached by Mr. Guepe, managed to break the losing streak of last season by defeating Fond du Lac in the first game. We dropped  the next five games and to even it up won the following five. The spectacular shot made by Gordon Wotruba on Red-White  day in the last second of the game is long to be remembered for it enabled us to defeat Sheboygan North 37-36. We tied  for fifth place in the conference. Bob Kustka and Gordon Wotruba were elected co-captains by their team-mates for the '46-'47 season.

We girls are active in sports too, for we have the Girls' Athletic association under the direction of Miss Fran Ritchie and Miss Betty Heyman.  We have an opportunity to take part in any of the numerous sports offered and at the end of the year a triangle  is awarded to each girl who has earned 500 points and an M to each girl with 1500 points. The G. A. A. also sponsors the Honorary Swimming club, the Officials' club, and the Girls' Tennis  club. Sports, games, and parties keep us busy the whole year long.

our matches are just

strokes of genius

OUR '46 tennis team coached by John M. V. Stevenson participated in 17 matches winning seven of the nine conference matches and five of the eight non-conference matches. Their percentage for the season was .706. They won second place in the conference meet held here on May 25. Peter Spoentgen took third in the singles division while Robert Skeels and Howard Stone placed second in the doubles.

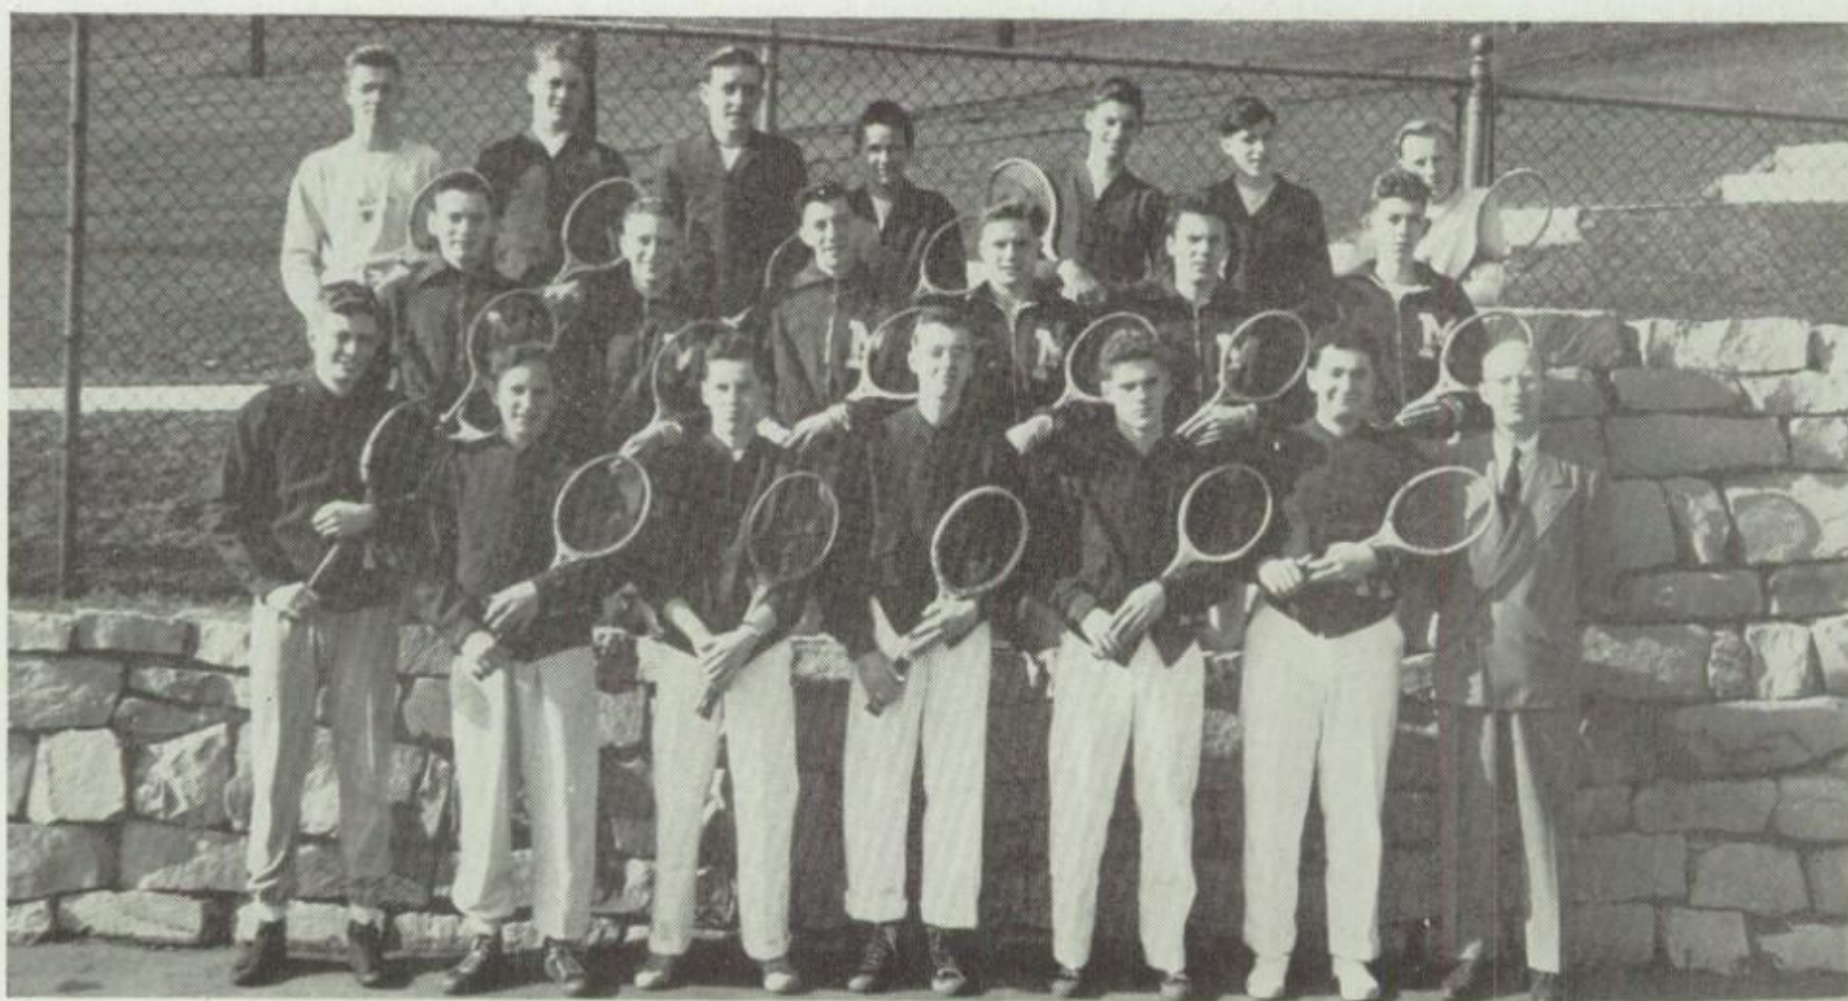

At the state meet, which was also held on our courts, May 31 and June 1, our netmen took seventh place as a whole, although Peter Spoentgen was third in the singles.

Letter winners of the '46 season were: Peter Spoentgen, James Walsworth, Robert Skeels, Howard Stone, William Sieker, Arthur Walden, William Weinert, Paul Lettenberger, Delmar

Hoeffner, George Spoentgen, Robert Nichols, George Swokowski, Joseph Jagodinsky, and Henry Vits.

Delmar Hoeffner and George Swokowski were our '47 co-captains. Henry Vits was appointed manager. Henry was kept pretty busy putting the equipment away after the matches. He missed out on more suppers! Due to a serious illness George was unable to take part in any of the matches this season.

Our team did not enter the state meet this year because it took place at Wauwatosa the same day the conference meet was held here, May 24. During the '47 season our netmen played 15 matches, seven on our home courts and eight out of town.

DURING the '46 season our track team placed second in the two triangular meets it participated in, but lost all three of the dual meets. It came in seventh in the conference meet held at Appleton, May 18.

Letter winners of the '46 season were: Milton Groelle, Marvin Holschbach, Kenneth Holtz, Robert Jagodinsky, Lloyd Luecke, William McElligott, Paul Nagy, Thomas Riggs, William Sepnalski, Earl Zahorik, and Louis Weber.

Mr. Harold Rasmussen coached our '47 track team. The co-captains were Kenneth Holtz and Earl Zahorik. Our cindermen took part in four dual and two triangular meets. The conference meet was held at Fond du Lac on May 17 and the F.R.V.C. relays were held on May 31.

from the **tee-off** to the end our golfers are 'way above par

FORE! It was only January and yet some of Lincoln's golfers were out on the greens, rather out in the snow, merrily engaged in a game of golf. Practice makes perfect, some one once said, and they were just practicing.

Our '46 golf team ended the season with a fifty-fifty average, winning three and losing three of their six games. Letter winners of last season were: Robert Breckenridge, Burlyn Steuwe, Elmer Kelly, Martial Ledvina, Jack Rutherford, and Donald Langteau.

It took a while for our team to get started this year. The first game was cancelled because of rain and the second because of snow.

Our coach for the '47 season was Mr. John Jung of Washington junior high school. This year's team participated in seven games, four of which were played on the home course.

SOMETHING new has been added! Mr. Frank Granitz, a new member of Lincoln's teaching staff, is coaching a sport also new at Lincoln, baseball. That is, baseball hasn't been played here for twenty-two years. So it's new to us.

Sixty-three candidates reported for practice the beginning of the season. Mr. Granitz said their attitude was wonderful.

Coach Granitz is very interested in baseball. He has played ever since he can remember, at Messmer High School in Milwaukee and on several amateur teams. He was in the army airforce for three years. Mr. Granitz attended the University of Wisconsin.

During our first season of baseball we played eight games. This is a fairly new sport in all high schools.

Some lived in
a creative world...

If YOU happen to feel a slight breeze from the tower lately, don't worry.

It isn't an open window.

It's just the staffs breathing a sigh of relief now that all the work is done. The three staffs managed to survive endless hardships

and present to the students their Flambeau, Manitou, and Flashes.

It was no easy job racking our brains (?) for brilliant ideas and doing the various jobs necessary in putting out a publication. Orchids

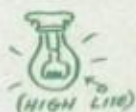

to our adviser, Miss Dorothy Crain, for somehow managing to get everything straight in the end.

At our annual Quill and Scroll

banquet held May 6 in the Blue Room at the Hotel Manitowoc twenty new members were initiated. The highlight

of the evening

was the presentation of the awards. The staffs for 1948 were also announced. Marilynn McConnell, Kathleen Busse, and Doris Herbst will

fill the editors' chairs of the Flambeau, Manitou, and Flashes, respectively.

Lights! Curtain! When we hear those words we get sort of a clammy feeling inside, but as soon as the first word is out

we forget all about the audience and fall into the action of the play. So goes the life of an actor, especially

a veteran

of the play festival and class play.

For us seniors, "Ring Around Elizabeth" was our last class play so we put our all into it. The plot centered around the trials and tribulations

of a mother whose family took advantage of her at every possible moment.

The play festival was next on the program.

Consisting of a comedy, a tragedy, and a farce, it gave a full evening's enjoyment.

A typical

American boy's attempt to make his girl forsake a movie career to play in a local tennis meet provides the plot for the Junior Class Play,

"Don't Take My Penny",

which afforded us many laughs.

We want to give special thanks to Mr. Frank Novitski, our director, whose untiring patience helped the casts give such grand performances.

It was through him that the thrill and excitement of opening nights was possible.

WE WORK AND STRIVE —

FLAMBEAU

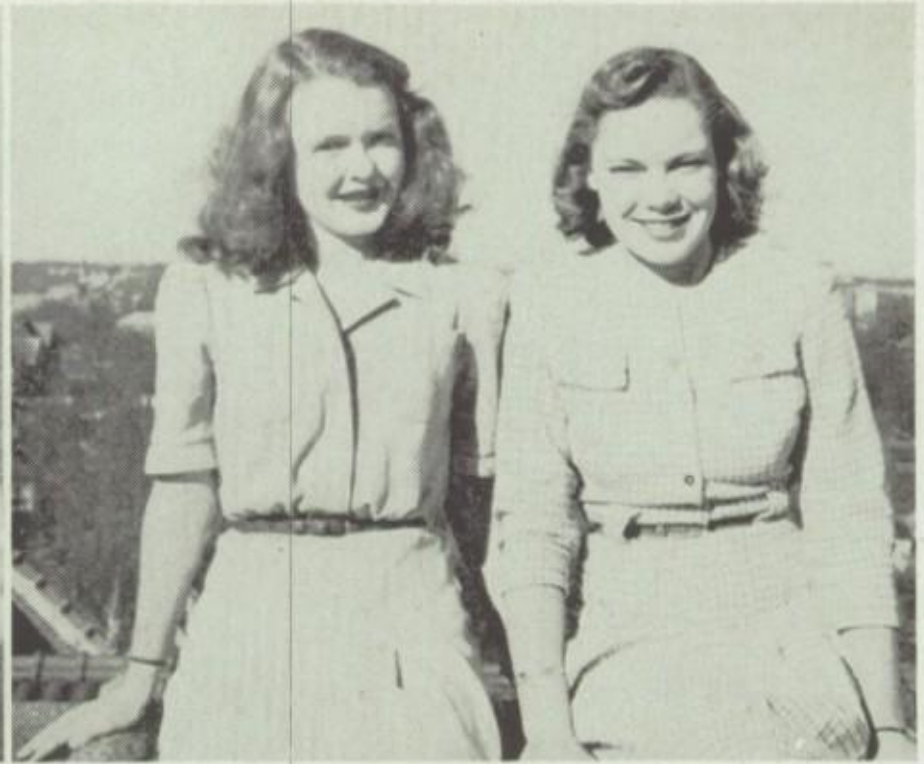

— TO REACH PERFECTION

HERE is the gang who's responsible for the book written for and about a certain person you are especially interested in, namely, you. Although it proved a headache at times we tried our best to make the book perfect.

The gal heading this year's Flambeau staff is **Editor Ardis Krainik (left)** who takes time out from her daily tasks to smile for our Flambeau photographer. Helping Ardis in planning this book and in issuing orders is **Associate Editor LaVerne Krueger (lower left)**. Keeping our financial condition up to par, which is quite a task is the job of **Rita Turczynski, business manager (lower right)**.

Seen catching a glimpse of "Our Town" are staff photographers **Dean Vollendorf**, **Lloyd Olson**, and "What's the hurry?" **Tom Rees** (upper left) while **Cynthia Hammond**, index editor and circulation manager, and **Doris Berns**, copy editor (upper right), get the same idea. Our publications adviser, **Miss Dorothy Crain** (middle), had the job of getting us to understand the whys, ifs, and wherefores. Our assistants, (lower left) **Gerry Duenkel**, **Judy Madson**, **Marilyn Ploederl**, and **Marilyn McConnell**, talk over the plan of the day's work. **Reta Williamson**, club editor, and **Lois Panosh**, sports editor (lower right), are proof we really worked—hard, that is.

SCHOOL —

FLASHES

— SCOOPS

THERE'S not much news at Lincoln that escapes our wary eye. Our scoops are our pride and joy, but it's rather difficult keeping them under cover until the next issue of the Flashes comes out. An every other week newspaper means a lot of work, worry, and woe, plus some overtime work after our sixth period in tower. Our Editor-in-chief **Geneva Hamman, top**; Associate Editor, **Shirley Kinard, middle**; and the other members of the staff pictured on the next page are some Flashes.

— CLASS

STRICTLY on the high class side was the 1947 Manitou. Led by **Audrey Maxfeldt**, we took time out from our continual joking to produce for you what we thought was a fine literary book, containing the best writings of the students. Taking advantage of the sun are Associate Editors **Walter Sonnenburg** and **Jean Drumm** (upper left) while **Douglas Ploss**, art editor and his assistant, **Janet Gunderson** (upper right) just plain rest. Taking care of the business angle are **Elaine Witte**, **Calla Wills**, and **Marian Anderson** (lower left) while the hardworked senior and junior assistants **Marjorie Randolph**, **Jeannette Berg**, and **Kathleen Busse** (lower right) enjoy a few moments of well deserved free time.

THE — THREE

— BIG

THE play festival this year offered an evening of varied entertainment. The program consisted of a comedy, "The Perfect Gentleman," a tragedy, "Storm Before Sunset", and a farce, "Reno Reasons". All the parts were enacted perfectly and the applause received was an award well deserved.

First on the program was the comedy. This was an example of what happens when a love-sick sister tries to reform her kid brother, in other words, make him a gentleman in the presence of her current flame. In this impossible situation you might guess the result—a terrific family mix-up with audience interest.

By the title of the last play "Reno Reasons", you can well guess what it was about. In this farce, the members of the Hi-Towers Players tried to interpret the various reasons for divorce only in a very novel way—that is, what would happen if men did this to women and vice versa.

The tragedy, "Storm Before Sunset", excelled. The scene took place in a South American jungle during the rainy season. The plot concerns an innocent man accused of murder by a village of superstitious natives. Suspense builds up to a tragic sacrifice.

THE JUNIORS' FIRST TRY —

JUNIOR CLASS PLAY

— DESERVES GREAT APPLAUSE

FOR their first try at this art called forensics, the juniors really came out on top. The plot of their play, "Don't Take My Penny," proved that boys do think girls are important, especially if they are needed to win a tennis match. In fact, Kerry thought that Penny was so important that he took very drastic measures to prevent her from being offered a movie contract. The results that followed were both hilarious and enjoyable with a surprise ending.

WHILE THE SENIORS' LAST —

SENIOR CLASS PLAY

— NATURALLY TOPS THEM ALL

WE were mighty proud of our seniors' last class play, "Ring Around Elizabeth." It revolved around a harassed mother who was enmeshed in family troubles. One daughter loved an older man, another wanted to be a scientist, her husband wanted a boat, her mother complained about her father-in-law's fire alarms, and the maid was constantly quitting. In desperation Elizabeth feigned amnesia. In spite of this wild state of affairs everything was straightened out and the play ended in family harmony. A fine job.

While others fiddled
away their time...

MUSIC maestro, please! We have an excellent music department in our school. The band, under the direction of Mr. Rufin Boyd,  the mixed chorus, glee club, and orchestra, all headed by Mr. William Jones, will prove that.

This year we worked very hard on the operetta, "The Mikado",  the first in three years. The packed house we had for both nights proved what a big success it was. The cast, consisting of some of the best talent in school, did a great job  and gave a colorful performance, in true Japanese style.

Included in our school term's program were the concerts we gave for our school and other schools. The chorus sang a beautiful Christmas cantata  for our Christmas program and later broadcast it over the air. Also, after rehearsing for several weeks, we traveled  to Two Rivers where we gave a joint concert with the high school there. It was a long trip (all of seven miles) and we had loads of fun. Participating in the Spring Concert  was another of our accomplishments. We had a wonderful time singing with choruses from Sheboygan, Appleton, and other towns when we attended a music festival at Kaukauna.

Of course, the band, with its neat blue and red uniforms,  really shows its colors. We band members have worked hard practicing those first hours but it paid. The Midwinter  and Spring Concerts packed the auditorium. We traveled to Green Bay for a festival also. Our last performance will be playing "Aida" and no one will be sorrier than we that the year is over. 

We cannot fail to mention the orchestra, which was always there to entertain between acts of plays and at concerts  and the pep band—what would we do without it? We sang with it many times at football and basketball games.

Without a doubt we've had a good year. Mr. Jones and Mr. Boyd, who have their lighter moments, taught us more  than we had ever hoped to learn. Many of us will go on from here, and when we succeed, we'll have them to thank. Perhaps, someday, we'll come back to Our Town as famous musicians.

OURS was a musical world. We had one purpose in common and that was learning this fine art. A good share of our time was spent in practicing and perfecting scores of music to present for the entertainment of Our Town.

We enjoyed the music classes to the fullest, and even when a sour note crept into one of the compositions, we never gave up. Persistence was one of the things Mr. Boyd and Mr. Jones taught us. Maybe that's why they overlooked the blunders we never failed to make at rehearsals.

In our orchestra and band are students who are the cream of the crop. Each of us worked hard to become a member of one of these groups, and once we were in, worked hard to stay in. We discovered that some effort on our parts didn't fail to help us.

Some of us won't be here next year to have more of those good times, but our musical world won't end at graduation. We'll carry this interest with us always.

Presenting...

"THE MIKADO", the superb Gilbert and Sullivan operetta we produced this year. Since the presentation of an operetta was new to present Lincolmites, it was interesting to us and to **Our Town**.

Dressed in Japanese costumes, we looked the parts, and our scenery created the right atmosphere. It took a while to learn to wield those fans. We can honestly say we did a pretty fine job, from the leading roles to the members of the chorus and orchestra.

The characters were Yum Yum—**Lois Kronschnabel**, Pitti Sing—**Beverly Luecke**, Peep Bo—**Germaine Kanter**, Nanki Poo—**Harold Tadych**, Ko Ko—**Bob Nichols**, Katisha—**Ardis Krainik**, Pish Tush—**Paul Blaufuss**, Pooh Bah—**Howard Becker**, Mikado—**John LaFond**, Umbrella Carrier—**Lois LaCourse**.

We snapped a few of the "Mikado" cast just before dress rehearsal. In the upper picture **Lois Kronschnabel**, **Beverly Luecke**, and **Paul Blaufuss** listen to **Ardis Krainik**. Below are **Harold Tadych**, **Bob Nichols**, **Lois LaCourse**, **John LaFond**, **Howard Becker** and **Germaine Kanter**.

Without the aid of the teachers who worked willingly and endlessly to teach us the songs, gestures, and music we had to learn, we could not have made the operetta the success it was. They had as much a part in "The Mikado" as we did and we appreciated their help.

The top picture shows **Mr. Frank Novitski**, discussing operetta with **Miss Lillian Marsh**, who supervises music in the elementary schools of **Our Town**.

Below them we see **Mr. Rufin Boyd**, **Miss Sarah Ellen Jones** of the Washington junior high school music department, and **Mr. William Jones** talking over something. Mr. Boyd is apparently pointing out in that magazine.

Or used a club
to get in the swing...

WE'RE not really blood-thirsty, for the clubs we used to get in the swing are not the billy-club type  but are organizations. The main purpose of our clubs is to do the things we like best with the people we like best. We hold our meetings seventh period on Wednesdays to relax  and have fun after a hard day's work. Of course, we do a lot more than just have fun—in fact, now and then, we do something really worth while. The clubs we joined this year ranged from purely social groups  where we just sat and gabbed to debate clubs where we discussed world problems. In between were the clubs where we learned to do things. We were enthusiastic over planning that pep meeting  we were scheduled to give and worked hard selling donuts after school to raise money.

Every student dreams of belonging  to the two honorary clubs at Lincoln, the Hi-Y for boys and Tri-Hi-Y for girls. The club membership is limited, and it is an honor to be asked to join. Extracurricular activities  and scholastic standards are the qualifications. These clubs sponsor Red-White day.

For the stage struck  students another honorary club is the Hi-Tower Players whose members must have taken part in some school production. Lincoln's plays always score a hit so this club holds plenty of dramatic  talent.

Bowling clubs and Rifle club always have a huge turnout and are rapidly shooting  ahead. A lot of excitement can and does happen in one hour.

And then, we have the Pep club organized every year to promote — you've guessed it—pep. Thanks to us, a few new cheers blossom  out each year, but the most important thing we do is the training and selection of new cheerleaders.

Rising socialites who take an active interest in social life formed these clubs: Senior Girls, Baton Twirlers,  Hi-Jills, Sophomore Girls, Senior Boys, Boys and Girls Swimming, Gismo, Knitting— not to mention all the others.

So you can easily see for yourself that belonging to a club or two is a definite must on the list of all of us in the know on having fun.

LIVE WIRES

WE Tri-Hi-Y members are mighty proud of our little triangular pins for they mean that we're the gals that are in things at Lincoln. From the time we were sophs we dreamed of being asked to join the Tri-Hi-Y and now here we are.

We gave a dance at the field-house this Christmas and planned and sponsored Red-White day, with the help of the Hi-Y. It was a very successful day with school spirit running high. Conventions were the officers' convention at Fond du Lac and a Hi-Y and Tri-Hi-Y convention at Green Bay. May 14 we sponsored a tea and style show for our mothers, modeling our own clothes. Our adviser was Miss Bernice Roth.

OF LINCOLN

— wise or otherwise

HI-Y — To create, maintain and extend throughout the school and community, high aims and standards of Christian character is our motto. Membership is limited, and it is an honor in itself to be admitted. New fellows are chosen by the members.

This year was really a lot of fun! Along with the Tri-Hi-Y, we sponsored the famous Red-White day—Lincoln's basketball homecoming, in addition to the annual football homecoming, and our roller skating party. The new electric scoreboard in our gym, that the previous Hi-Y clubs worked so hard for, really created a sensation, and we are proud to have contributed toward the project.

OFFICERS

Seated—Merlyn Hoefner, president; standing, left to right—Vernon Greycarek, sergeant-at-arms; Kenneth Holtz, vice president; William Poulos, treasurer; Ashton Mahnke, secretary; Mr. Newton Jones

DURING our second active year as a bowling club, we really had a 'rolling' good time. Our twenty-four members were seniors, and all of the fairer sex, although we did have a man amongst us, our sponsor, Mr. Charles Meisnest.

We chose as officers the following members: president, **Dona Gesell**; vice president, **Jeannine Bruechert**; treasurer, **Connie Thomas**; secretary, **Rhea Alpert**. They have served us well!

Last year when we started bowling, most of us were novices at the game, so we dug in and really practiced. Practice makes perfect they say, and this year, even though we were a little rusty, we were very near to being just that. To close our two very successful years together, we held a memorable party at the close of the season.

KEEP your eye on that center pin! Aim now! Balls away! A strike!

Those with the three highest averages are Harold McKay, Bill Sepnafski, and Mike Stryzewski. Keen competition is each one's by-word and all of them strive for perfect form. Difficult technique caught our eye too, and it really was something to see the fellows trying to bowl left-handed or backward. Of course, Mr. James Magill, our club sponsor, gave us a few pointers while the rest of us just gawked! Maybe someday we'll be able to catch on to it too. This stag club had a few pretty neat parties. We also took care of a sale or two after games.

Our officers for the year were: **Glenn McKay**, treasurer; **Bill Sepnafski**, vice president; **Greg Boissonnault**, president, and **Thomas Luecke**, secretary.

ANOTHER enjoyable year has ended with the Baton Twirling club still in the spin. Putting on our pep meeting was fun. We also had our own float in the Homecoming parade and tied for first place.

We twirled at basketball and football games and on such occasions as Homecoming and Red-White day. One of the ideas we were quite proud of was our "Little Red Caboose" formation. We were also proud of our airplane design and of a heart formation performed with lighted batons.

Our club officers were: president, Dorothy Wachholz; vice president, Eileen Johnson; secretary, LaVerne Boldt; treasurer, Connie Thomas. Our sponsor was Miss Bernice Roth.

DOUG. PLOSS

GISMO stands for anything and everything that's fun! You know the monotony of doing the same thing over and over. We gals organized our club with the definite purpose in mind to do something new and different each club period. Pep meetings, making candy, and even hiking in January testify to that. Then too, the pep meeting we sponsored kept us quite awhirl. Miss Helene Dedrick, our sponsor, gave us lots of clever ideas for our many activities.

Our officers were: president, Gerry Walters; vice president, JoAnn Cerny; secretary, Karen Anderson; treasurer, Carol Bartelme.

FIGURES NEVER TELL LIES

in bowling

STRIKE one! No, it isn't a baseball game, not by any means. In this case, the team is the Sophomore Girls' Bowling club and a strike is something we all hope to make, but desperately, to keep up our morale.

Organized in the fall of '46, we kept the membership to include only sophomore girls for the purpose of recreation, exercise, and sociability. Meeting every other week at the Elks' Club, we would try like crazy to get a score of at least 125.

When we first started out, we admit we were slightly rusty around the joints, but we can boast of one thing—no catastrophies. This would include things like balls falling on toes or swollen thumbs forcing one sadly down the alley with the ball.

Now we are really quite adept at this sport. The score sheet is no longer a mass of figures, but an individual score that will tell just how each game was bowled. Bowling, from now on, is our specialty.

IN OUR SOCIAL WORLD

in variety

BEING members of the National Sub Deb Federation, we feel that our club is a very important one at Lincoln. It is sponsored by the LADIES HOME JOURNAL, with Maureen Daly as the national adviser. Here at home, our adviser is Miss Faye Sivula.

This was the second year back for many of us, and we had good reason to return. All the advice we get about dating and teen-age etiquette is truly valuable. Much of our advice came from the booklets put out by the Federation, and it was really fun hearing about everyone else's problems. We wanted advice, and—we got it!

We had lots of swell parties during the year, but parties cost money, so we went to work and had a few sales. Our flower sales at the senior class play netted us a nice fat profit. The doughnut sale after school was also a big success, although most of the doughnuts were purchased by our members who were selling them. They claim that they couldn't resist them. How true!

PEP — that's what gives our teams the spirit, and we're just the people who helped to promote it in Lincoln. Although we disorganized at the end of the basketball season, we really got a lot of things done.

Our first business was to elect officers, and the results were: president, **Carol Hansen**; vice president, **Joanne Berg**; secretary, **Margie Randolph**; treasurer, **Jerry Wojta**; sergeant-at-arms, Jim "be quiet back there" Ploss. Mr. Newton Jones was our adviser.

Next on the agenda was to organize those who wanted to try out for cheerleading and those who wanted to compose new cheers and new motions to the cheers. This year's cheerleaders were the teachers, and all in all it was a lot of fun, despite our aching bodies!

HELPING OUR SCHOOL —

RED CROSS

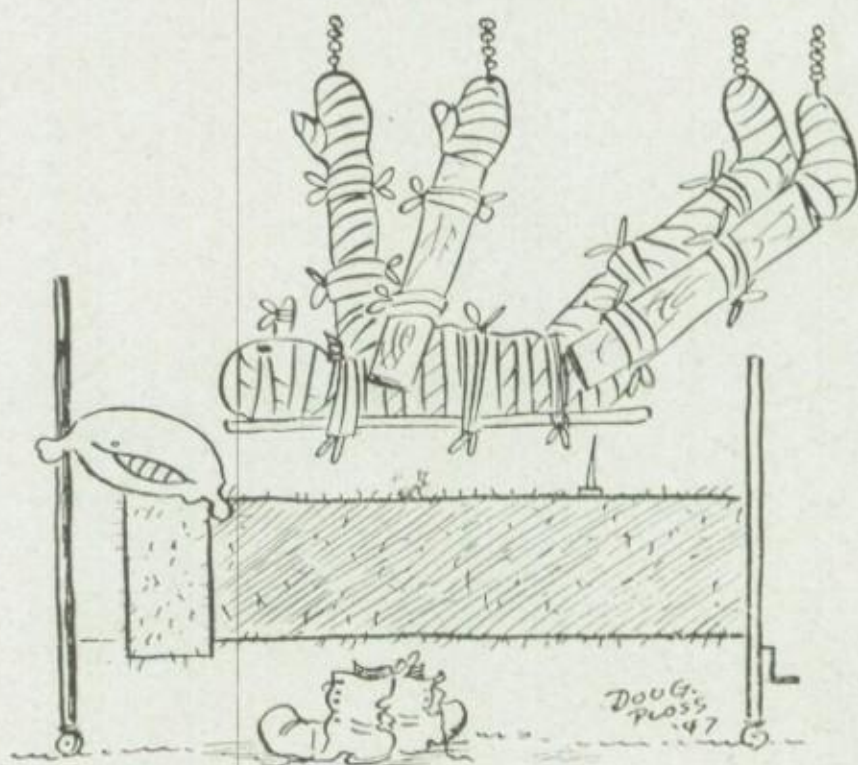

— TO SERVE OTHERS

WE of the Junior Red Cross board have tried to put the activities of the Red Cross before the students of Lincoln high school during the past year by giving speeches in each homeroom and on the loudspeaker.

By stressing the needs of the unfortunate in the war-torn countries, we encouraged nearly every student at Lincoln to contribute. School enrollment was 96.4%. The average contribution per person was eight and one fourth cents.

As a result of the summer polio epidemic several young people were still confined in the hospital for Christmas. To cheer them in any way we could, we made tray sets with candy for them.

Each month of the school year we received the JUNIOR RED CROSS JOURNAL, a magazine published especially so that we could learn of the different activities of our organization all over the world. We gained an appreciation of the activities of the

Junior Red Cross in foreign countries. We were glad to be representatives of all the students in the world-wide student group.

OUTSTANDING GALS

on the campus

Typical seniors. That refers to us! A gang of us girls at the beginning of the year decided to organize into one mighty sharp club, strictly senior date-bait. We had two guest speakers to let us in on the know about cosmetics and hairdressing for smart teen-agers.

We got together with the Senior Boys' club and had a picnic at Lincoln park. Really super. We also tied for first place in the Homecoming float contest. Then too, our pep meeting went over big. By looking at our pictures you can easily see why for it's very obvious!

IN THE SOCIAL PARADE

in the classroom

Back again for another eventful year of club meetings and parties, we continued from where we left off in our sophomore year. Our new adviser is Miss Verna Rudolph, who did a great deal to make our pep meeting (and sale after

the Oshkosh game) a noteworthy project. Painting Hi-Jills on our blue jeans made a big hit, and our big Valentine party in the cafeteria was a barrel of fun. We are all looking forward to our next and last year together.

FLICKERING

WHAT would you do without us? Whenever a movie is shown at Lincoln you can be sure that someone from our all male clique is operating "our baby". That's our nickname for the movie projection machine. Mr. Edwin Erickson has taught us all the whys and wherefores about this machine and really it's the most complicated thing we've ever seen. But we don't mind—we love it, in fact! Remember the noon movies every Friday? That was one of our biggest accomplishments besides the movies during class periods and after school for the teachers. Two huge chicken dinners really helped to dull our appetite. Hard working boys, you understand.

toward higher SCORES

WE'RE the "shootingest" fellows and gals you ever saw! Under the able guidance of Miss Verna Rudolph and Mr. Sid Herman we really learned how to handle the rifles with safety uppermost in our minds. At first a lot of us were scared of the guns, but when the few other experienced ones tagged us with the label "greenie" we were soon cured. Before we knew it, we were almost hitting the target. In February we entered six teams in the Hearst Matches and also had a super party during May in the high school gymnasium.

behind the scenes WHERE CREDIT

SETTING the stage for a school production is really quite a chore, but we have found that we can have a swell time doing it. Although many of us, especially the gals, had never driven a nail or handled a paint brush, we managed to do quite well as you may have noticed by the sets for the various stagings this year. The setting for the Mikado was the most difficult, and we all breathed a sigh of relief when it was finished.

Without our adviser, Mr. Arthur Haberman, we would have been completely in the fog. He was behind it all, and deserves a generous part of the credit. His patience was inexhaustible when it came to explaining and supervising.

Our finances were rather low when we organized at the beginning of the year, so our program committee planned the following projects. Our flower sale at the operetta was a big boost to our treasury, and we sold

all we had bargained for. The big secret was that a large percentage of the club members were seen with flowers the following days! Confidentially, the program committee didn't plan that! We also took over a basketball game sale and had ourselves quite a time, not to mention the excellent salesmanship experience. After collecting what seemed to be thousands of coke bottles from among the bleachers, we chalked down another success in our club book.

The officers representing our forty-five members were: president, Elwood Horstman, senior; vice president, Donna Kitzerow, senior; secretary, Jacqueline Leiker, sophomore; treasurer, Barbara Otto, senior.

To celebrate our eventful and fun-packed year, we threw a supercolossal party in the cafeteria. Lots of food and cokes certainly hit the spot. Underclassmen are coming back to another lively year.

Starting our first year at Lincoln out right, we sophomore girls got together and organized our own private club. We chose as our sponsor Miss Mary Chamberlain. Our plans are to continue our club until we are seniors.

The officers elected by our thirty-two members are: president, Janet Chermak; vice president, Jeanne Jarosh; secretary, Jodelle Schmidtman; treasurer, Suzanne Fanta. We also elected a program committee. Group singing and games are a few examples of its planning. Our other activities included our sale after a basketball game, singing carols at the hospital, and buying our flashy D.O.K. sweatshirts. D.O.K. still remains a secret!

learned

If you happened to be meandering around the vicinity of 315 some Tuesday night about 3:06 and you were suddenly shocked by angry voices issuing from closed doors, it was only the Open Forum club sounding off.

The purpose of our club was "to blow your lid" if you wanted to express your opinions freely and without hesitation. Important controversial questions revolving around the world and our school were discussed pro and con. We really enjoyed ourselves at these meetings and we learned to respect "opinion".

You Can't Teach

An Old Dog New TRICKS

Can you saw a woman in half? Can you make a red scarf turn blue? Well, we can, or at least we try to. After practicing our knowledge of "abracadabra", we performed for the public school children of **Our Town**.

We also ushered at the performance of a professional magician, and filled our near to empty bag with new tricks. All in all, we had a lot of "trick-sy" times.

Our club is formed of girls resolved to learn to play cards correctly. With Miss Gertrude McCauley and Mrs. Esther Grell as our sponsors we are regular experts. Why we can even sandwich in a bit of gossip with our playing. And that is proof definite.

In the beginning of the year a line frequently slung around was, "Well, what do I do now?" Gradually the rules of playing and scoring finally wormed their way into our heads.

We all feel that our club is is very worthwhile.

We're Trying But With Our CRAFTY Minds

For such a small club, we did quite a bit. "Handy at all crafts" explains the goal of the members of the Handicraft club. Some of us girls painted boxes for the Red Cross, but knitting was usually our specialty. During this club period we took out time to pursue our hobbies.

In this busy world it's hard to find time to relax and enjoy oneself, so our club proved to be the solution. Our sponsor, Miss Ruth Fuller, really proved her patience with us. We made all the mistakes known to craftsmanship and took none of them seriously.

Since girls were always forming social clubs at Lincoln, we decided that even if we were boys there was nothing to prevent us from having one too. Our purpose was to have fun, which included card games and just plain "gabbing". We had good intentions of helping the senior girls with a pop sale, but by some strange coincidence, no one showed up. Boys will be boys!

However the picnic we had with the Senior Girls club really was something to rave about.

Dashing madly from the pool with dripping straight hair may not sound exactly charming, but the fun we have in pool compensates for it completely. Some of us joined to learn or to improve our swimming strokes, and some of us did it for purely recreational purposes. A few of us practice earnestly for Life Saving awards and Honorary Swimming club. Here's hoping for next year.

The members hold true to the rules of fair play and good sportsmanship in all of their undertakings, large or small, and are constantly on the alert to learn. Just think, fellas — that cute lifeguard you'll see on the beach in a few years may have been one of these gals!

The Boys Swimming club is your best bet whether you want to learn something or just have fun. Each of us improved our technique—swimming that is! We bettered our diving forms, side strokes, and crawls—a skill which may prove invaluable in some future day. Of course, Mr. Gordon Winder, our sponsor, gave us a lot of helpful hints in relay races and water polo. The following fellows were officers: LeRoy Zill, president, Kenneth Wilhelm, treasurer; George Spoentgen, secretary.

A Smooth *LINE* Is What Counts

The play's the thing—at least that's the idea on which we organized. Started as a strictly dramatic club, our meetings turned into social riots, but we did manage to accomplish some-

thing just the same. Some of us went to the junior high schools and presented a short play for the students while others appeared in the Play Festival on January 17-18.

"Roll 'em girls" is our slogan when we are down at the Elks bowling every other Wednesday, and so we named our club just that. Many of us had trouble holding those heavy balls, and keeping them in the alleys!

The girls who did such a competent job as our officers are: president, Patricia Brennan; vice president, Doris Metzger; secretary, Vernetta Schroeder; treasurer, LaVerne Boldt. Our very capable adviser was Miss Muriel Batz.

AN APPLE for the teacher! The faculty at Lincoln deserves much more than an apple for the untiring work they do. We students know we're not angels  and we wonder how the teachers put up with us at times. Their day of work does not end when they leave school—  many nights are spent checking paper after paper. They have an interest in our schoolwork and are also willing to give up  more of their time for clubs and extracurricular activities.

The past thirty-six years found Principal C. G. Stangel at his post, willing to offer his advice and assistance, also to reprimand  anyone who needed it. Every one knows him as a friend. He is leaving our school as principal this year,  but on graduation day the thirty-sixth class to graduate under him will go forth into Our Town as citizens guided by his example.

Always at your service with a smile  is Miss Bernice Roth, vice principal, who is also leaving us this year. Her friendly disposition has always won the confidence and goodwill of the students. In the morning  you would find her busily signing absence excuses and at 3:06, patiently watching over the tardy hall.  (Those unlucky dogs who miss the bells.) Acting as assistant principal next year will be Mr. Rufin Boyd, head of the music department.

As guidance director,  Mr. Ernest Ludwig, has worked willingly with students needing help. Any one wanting advice on college problems or looking for a job could be sure of getting assistance from him. We wish him luck  in his new job as principal of Woodrow Wilson junior high school next year.

Several more of the faculty will not be with us next year.  Mr. Nello Pacetti left in the middle of the year and was replaced by Mr. Frank Granitz, former baseball  champ. Mr. Al Guepe and Miss Hope Johnson have resigned.

The people who sit behind the desks up in front of the room are definitely a very important part of Lincoln. Why, what would we do without them? We just couldn't have school—hmm, no school!  Not a bad idea.

AT the head of our school was Principal C. G. Stangel, ready at all times to accept the responsibility of preparing students as citizens of tomorrow in **Our Town**. It will be a lasting remembrance of Principal Stangel.

Miss Bernice Roth, vice principal, directed the club program, served as girls' counselor, and sponsored the Tri-Hi-Y. In the guidance office, Mr. Ernest Ludwig helped us with our individual problems. He also had charge of the Student Council and school programming. Mrs. Kenneth Peterson, Marilyn Pracki, and Mrs. Paul Hartl are our secretaries.

HERE we are, all of us, we students of Lincoln high school. Even though we gripe about the tough grind, you can see by our smiling faces  that we really don't mind school at all—in fact we enjoy it, especially the extra activities.

We seniors have certainly made our  mark in the world. This year we resurrected what used to be an old custom here, Senior Class day. We presented a skit, "The Day  of an Average Student", read our will and class prophecy and even the juniors and sophs enjoyed it—probably because they got out of one of their classes. We also presented the school with a portrait  of Mr. C. G. Stangel who is leaving his post as principal. It proudly hangs on second floor, where we spent our three years at Lincoln.  Besides putting on a class play and dance, we chose JoAnn Schmitt as D. A. R. girl, our best to represent Lincoln.

But wait,  don't forget the juniors. We showed our power by putting on the 1947 Junior Prom. As its theme we chose a southern plantation scene and reigning as belle of the ball was our queen, Audrey Boeckman.  We too gave a class play, a dance, and our float copped first place in the Homecoming parade.

And then there are the "greenies"  the sophomores at Lincoln. It's amazing the amount of kidding we receive but we've proved we can take it. On Red-White day we wore green bows in our hair—along with our red and white.  Though we didn't run off with any prizes this year, we did have the best publicity campaign for our Sophomore Class dance that has ever been seen at Lincoln. "Baby Hush"  was a sensation and had every one guessing who he was.

We've all enjoyed every minute of this year at Lincoln. For some of us it was the last and we'll have only memories  left. We can never forget all the fun we've had. The rest of us can look forward to coming back next year.

We would like to offer our deepest sympathy to the parents and friends of seniors, Arthur Prince, died November 13, 1946; James Handl, died November 13, 1946; juniors, LaVerne Shoulak, died March 21, 1947; Jack Rutherford, died March 30, 1947.

Three Years Before The Mast

Our able advisers, **Mrs. Esther Grell**, left, and **Mr. Esto Wood**, right, have guided us through three years of what we seniors deemed torture. Now we realize what real fun we had, thanks to the wise and willing leadership of these two.
